Management's Report

Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of Tsawout First Nation are the responsibility of management and have been approved by Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

Chief and Council meet periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditor's report.

The external auditors, Brynjolfson & Company, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Tsawout First Nations and meet when required.

INDEPENDENT AUDITOR'S REPORT

To the Members of Tsawout First Nation:

I have audited the accompanying financial statements of Tsawout First Nation, which comprise the consolidated statement of financial position as at March 31, 2017, and the consolidated statement of operations, consolidated statement of change in net debt, and consolidated statement of cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of Tsawout First Nation as at March 31, 2017, and its financial performance and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The supplementary information contained in the accompanying schedule is presented for purposes of additional information to the membership and Indian and Northern Affairs Canada and do not form part of the financial statements. The schedule has not been audited other than in the course of my audit of the financial statements to the extent necessary to allow me to render an opinion thereon.

TSAWOUT FIRST NATION
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2017

1. Purpose of the Organization

Tsawout First Nation is an aboriginal government registered under the Indian Act. It has a membership of approximately 900 individuals. The organization provides governance to its people and also administers programs to help support its membership.

2. Basis of Presentation and Significant Accounting Policies

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

a) **Fund Accounting**

The Tsawout First Nation uses fund accounting procedures which result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the Summary Financial Statements. Details of the operations of each fund are set out in the supplementary schedules. The Tsawout First Nation maintains the following funds:

- The Operating Fund which reports the general activities of the First Nation Administration.
- The Capital Fund which reports the capital assets of the First Nation, together with their related financing.
- The Trust Fund which reports on trust funds owned by the First Nation and held by third parties.
- The Social Housing Fund which reports the activities within the First Nation's Social Housing Program.
- The Enterprise Fund which reports the activities of the First Nation taxation of lands and band controlled corporations.

b) **Reporting Entity and Principles of Financial Reporting**

The Tsawout First Nation reporting entity includes the Tsawout First Nation government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Tsawout First Nation Government Administration
- Tsawout First Nation Trusts Funds
- Tsawout First Nation Social Housing Program
- Tsawout First Nation Capital Fund
- Tsawout First Nation Taxation Fund

TSAWOUT FIRST NATION
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2017

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

c) Measurement Uncertainty

In preparing the consolidated financial statements for the government of Tsawout First Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the period. The main estimates used in preparing these consolidated financial statements include allowance for doubtful accounts, estimated useful lives of tangible capital assets, impairment of long-lived assets, accrued liabilities, and disclosure of contingencies. Actual results could differ from those estimates.

d) Tangible Capital Assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods or delivering services.

Tangible capital assets are reported at net book value. Contributions received specifically to assist in the acquisition of tangible capital assets are reported as equity in capital and amortized to income at the same rate as the related asset.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artefacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

e) Amortization

Amortization is provided for on a straight-line basis, over the expected useful life of the assets in the table that follows:

Infrastructure	2%	straight-line
Buildings	3%	straight-line
Non-CMHC Housing	5%	straight-line
CMHC Housing	6%	straight-line
Equipment (communications)	5%	straight-line
Equipment (construction & yard)	5%	straight-line
Equipment (classroom)	7%	straight-line
Equipment (marine)	10%	straight-line
Equipment (office)	20%	straight-line
Equipment (computer)	33%	straight-line
Vehicles	20%	straight line

TSAWOUT FIRST NATION
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2017

f) **CMHC Social Housing**

Social Housing assets acquired under C.M.H.C. sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in related long term debt, as required for C.M.H.C. reporting purposes. This is estimated at approximately 6% straight-line, on average, over the remaining useful life.

g) **Revenue Recognition**

All revenue is recorded on the accrual basis whereby amounts received or recorded as receivable but not earned by the end of the fiscal year are recorded as deferred revenue. Funding received under the terms of contribution agreements with the federal government is recognized as revenue once eligibility criteria have been met. Funding is recorded as deferred revenue if it has been restricted by the federal government for a stated purpose, such as a specific program or the purchase of tangible capital assets. Deferred revenue is recognized in revenue over time as the recognition criteria are met.

h) **Comparative Figures**

Prior year's comparative amounts have been reclassified where necessary to conform to the current year's presentation.

i) **Financial Instruments**

Tsawout First Nation's financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities. Unless otherwise noted, it is management's opinion that Tsawout First Nation is not exposed to significant interest, or credit risks arising from financial instruments. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

j) **Net Debt**

The First Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its liabilities less its financial assets. Net debt is comprised of two components, non-financial and accumulated surplus.

3. Accounts Receivable

Accounts Receivable consists of the following:

	<u>2017</u>	<u>2016</u>

4. Work in Progress Inventory - Land

Work in progress inventory - land is comprised of professional costs associated with the development of band lands, to be utilized as investment property for the purpose of leasing.

5. Trust Funds Held by Federal Government

Trust fund accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Section 63 to 69 of the Indian Act.

**REVIEW ENGAGEMENT REPORT IN CONNECTION WITH THE SCHEDULE OF
REMUNERATION AND EXPENSES PAID TO ELECTED OFFICIALS FOR THE
YEAR ENDED MARCH 31, 2017**

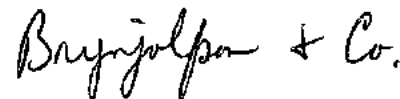

To Aboriginal Affairs and Northern Development Canada:

I have reviewed the remuneration and expenses of elected First Nation members, as recorded in the general ledger of the Tsawout First Nation as required and forms part of its financial statements for the year ended March 31, 2017, on which I reported October 30, 2017.

My review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of inquiry, analytical procedures, and discussion related to information supplied to me by Tsawout First Nation.

A review does not constitute an audit and consequently I do not express an audit opinion on these schedules.

Based on my review, nothing has come to my attention that causes me to believe that this schedule is not, in all material respects, in accordance with Canadian accounting standards for not-for-profit organizations.
